

Yarn Supply Scheme - Mill Gate Price

Schemes Details

Department	Industries & Mines Department
Objective	It has been observed that yarns in many areas are transported from other production areas. This increases the cost of the yarn sold in many areas due to transportation costs. This scheme aims to take on the transportation cost of this yarn so that the weavers can purchase yarn at price at which this is available at mill gate (registered license holder/wholesaler of yarn)
Purpose	provides handloom weavers with yarn at mill gate prices, ensuring regular supply of raw materials. The scheme includes transport subsidies and price reductions on various yarns, supporting weavers' productivity.
Benefits	offers yarn at mill gate prices and provides subsidies on transportation and yarn costs. This helps make raw materials more affordable and supports handloom weavers' productivity.
Eligibility	All weavers can purchase yarn at reduced cost from yarn depots of government
Documents Required	Aadhaar Card Handloom Weavers Identity Card Training Certificates (if applicable) Bank Account Details (for subsidy payments)
