

Gram Van

Schemes Details

Department	Forests & Environment Department
Objective	To provide transportation support to rural communities for promoting access to markets, services, and livelihoods.
Purpose	to involve local communities in the sustainable management and conservation of forests, ensuring long-term environmental and economic benefits. It aims to improve livelihoods, conserve biodiversity, and empower communities through active participation.
Benefits	Gram Van provides sustainable access to forest resources like fuel, fodder, and timber, improving rural livelihoods. It also promotes biodiversity conservation, soil and water preservation, and empowers communities through participatory forest management.
Eligibility	1) Must have 4 hectare of Gauchar land available, 2) Gram Panchayat must pass order to allocate 4 ha of land to the Government
Documents Required	Application Form, Aadhaar Card, Proof of Residence, Income Certificate, Proof of Land Ownership or Community Land Authorization, Village Panchayat Resolution (for community participation), Project Plan or Plantation Proposal, Bank Account Details, Photographs of Proposed Land, Affidavit / Declaration
