

Solar Fencing Scheme

Schemes Details

Department	Agriculture, Farmers Welfare
Objective	To protect crops from wildlife (like wild boars, nilgai, and deer) using solar-powered electric fencing
Purpose	Reduce crop damage, prevent wildlife conflicts, and ensure better yield.
Benefits	Farmers get 75% subsidy, remaining 25% paid by farmer.
Eligibility	Open to individual farmers, Farmer Producer Organizations (FPOs), and Self-Help Groups (SHGs). Applicable to farmers in areas with significant wildlife-induced crop damage. A minimum of 3 farmers must collaborate to install solar fencing Individual farmers, SHGs, FPOs; farmers in wildlife-prone areas; at least 3 farmers
Documents Required	Aadhaar card Land ownership records Bank account details Photographs Application form
