

# Tractor Trolley Subsidy Scheme.

## Schemes Details

<b>Department</b>	Agriculture, Farmers Welfare
<b>Objective</b>	To assist farmers in purchasing tractor trolleys for efficient transportation of farm produce, reducing labor costs and enhancing productivity.
<b>Purpose</b>	Enable farmers to transport agricultural produce efficiently from fields to storage, markets, or processing units. Reduce labor costs associated with manual transportation of crops. Save time during harvest and post-harvest operations. Improve productivity by facilitating timely movement of farm inputs and outputs. Support small and marginal farmers in accessing mechanized transport solutions. Encourage organized agriculture and better supply chain management. Reduce losses of perishable crops due to delays in transportation. Promote modern farming practices with mechanized solutions. Contribute to overall rural economic development by improving farm-to-market efficiency.
<b>Benefits</b>	Efficient Transportation – Easy movement of crops from field to market or storage. Time-Saving – Reduces time spent on manual transport. Labor Cost Reduction – Less dependence on hired labor for carrying produce. Reduced Crop Loss – Minimizes spoilage, especially for perishable crops. Increased Productivity – Facilitates timely harvest and post-harvest operations. Support for Small Farmers – Makes mechanized transport accessible. Better Supply Chain Management – Organizes farm produce movement. Encourages Modern Farming – Promotes use of mechanized equipment. Economic Benefits – Contributes to increased income and rural development.
