

Water Tank / Farm Tank Scheme.

Schemes Details

Department	Agriculture, Farmers Welfare
Objective	To provide farmers with water storage facilities for irrigation and domestic use.
Purpose	Ensure availability of water throughout the year, especially during dry seasons.
Benefits	Provides reliable water for irrigation. Reduces dependence on rainfall. Helps in crop planning and multiple cropping. Saves time and labor for water collection. Supports livestock and domestic water needs.
Eligibility	Individual farmers, SHGs, or FPOs with agricultural land; priority to small and marginal farmers.
Documents Required	Aadhaar card, land records, bank account details, photographs, and application form.
