

GPSC Entrance Coaching Scheme

Schemes Details

Department	Tribal Development Department
Objective	Students belonging to the Scheduled Tribe (Adivasi) community are eligible. They must be studying in or have passed Class 12 (Science stream). Eligible students should be preparing for NEET, GUJCET, or JEE exams. Preference is given to students from interior or tribal areas and government schools
Purpose	The scheme aims to provide free coaching for GPSC exams to deserving students. It helps increase success rates among economically and socially weaker sections. The program ensures equal opportunities for rural and urban aspirants in government jobs.
Benefits	The scheme provides free coaching and study material for GPSC exam preparation. It helps students improve their knowledge, confidence, and success rate. Economically weaker and rural students get equal opportunities for government jobs
Eligibility	Tribal trainees should possess the minimum educational qualification prescribed for that competitive examination. The district in which the tribal trainee wants to get coaching will be selected based on the target of the district. The applicant has received GPSC. Online application for Class-I and Class-II competitive examination should be done.
